- Applications require detailed project plans that demonstrate the need, road safety benefit, and proposed expenditure of the project.

Ineligibility

We are not able to fund the following:

- Private businesses
- Individuals
- Research organisations
- Government organisations
- Local councils (TfNSW already funds the [Local Government Road Safety Program](#). Under this program, councils can apply for funding for road user safety projects)
- Schools and early childhood services (TfNSW already funds the [Road Safety Education Program](#) to support schools and early childhood services)
- Projects that already receive funding or sponsorship from TfNSW
- Organisations that present road safety programs directly to school students or children in early childhood services (TfNSW already funds the [Road Safety Education Program](#) to support schools and early childhood services).
